*A journey of 8,800 steps
to reach the purest drop of life...*

Founded in Germany in 2008, BGS Biolife Global has been a pioneer in wellness technologies. With over a decade of expertise, we have dedicated ourselves to discovering and delivering the purest water sources for a healthier life.

Our commitment to excellence and innovation drives us to bring the highest standards of wellness to the world.

Optimized ORP & pH Balance

*ORP (Oxidation Reduction Potential)
Enhances Antioxidant Power.*

*Your health is our passion..
Let's redefine vitality together.*

— BGS Biolife Global Team

Engineering the Future of Hydration

Smart Life does not just change the pH of water; it restructures it at the molecular level.

Triple-Effect Technology

Smart Life does not just change the pH of water; it restructures it at the molecular level.

Molecular Re-structuring

Breaks water into micro-cluster groups, accelerating absorption by cells up to 3x

Ion Enrichment

Releases not only alkaline minerals but also active Hydrogen and Calcium ions needed for the body's energy production.

Active Purification

Neutralizes residual Chlorine, Nitrate and Sulfate in tap or bottled water, restoring it to its pristine purity.

Neutralizes residual Chlorine, Nitrate and Sulfate in tap or bottled water, restoring it to its pristine purity.

Why Smart Life?

Each capsule is engineered to performance for 120 days. (-1P7ays, >240+ liters).

Liwags iet the afferre gurable design, and ipriix, gym, or on long flights.

*Science you can drink,
health you can feel.*

Tailored Vitality

A Smart Choice for Every Stage of Life

Solutions for Your Personal Journey

For the Active Professional

- Neutralize the acidic effects of high-stress workdays and coffee consumption.
- Stay hydrated at a cellular level for peak mental performance.

For Senior Vitality & Longevity

- Support your skeletal system with ion-rich alkaline water.
- Reduce inflammation and oxidative stress that comes with age.

For the Wellness-Conscious Family

- Pure, toxin-free hydration for the whole home.
- Ensure your loved ones drink water that is not just clean, but "alive" and full of natural minerals.

For Senior Vitality & Longevity

- Support your skeletal system with ion-rich alkaline water.

For the Wellness-Conscious Family

- Ensure your loved ones drink water that is full of minerals.

The "Smart Life" Commitment

Eco-Luxury

Say goodbye to acidic plastic bottles. Embrace the luxury of glass and sustainable, long-lasting technology.

Certified Quality

8,800 studies are not just a number, they are your guarantee of safety and efficiency.

Global Trust

Join thousands of satisfied users from Europe to the Middle East who have already upgraded their life by changing their water.

Ordinary Water

- Acidic
- Low Absorption

Smart Life Water

- Alkaline
- High Hydrogen
- Fast Absorption

You invest in your home, your car, and your career. Now, invest in the very foundation of your existence: Your Water.

The Technology — Sticks & Hydrogen Capsules

What is a Smart Life Stick/Capsule?

Smart Life products are portable water enrichers, specifically designed with premium alkaline minerals, magnesium, and calcium compounds.

ALKALINE-HYDROGEN STICK

Not Just a Filter

This is not a filtration device, but a Live Water technology that biologically enriches your water.

The Core

Inside, natural stones and patented release active hydrogen ions when they

Sustainability: Healthy for You,

Plastic-Free Future

Each Smart Life stick on average prevents the use of 450+ plastic bottles (500ml each).

Economical Longevity

A single capsule keeps producing fresh alkaline water every day for up to 120 days (3 months).

You invest in your home, your car, and your career.

Now, invest in the very foundation of your existence: **Your Water.**

Step-by-Step User Guide

— No-Error Routine —

The Golden Rule of First Use

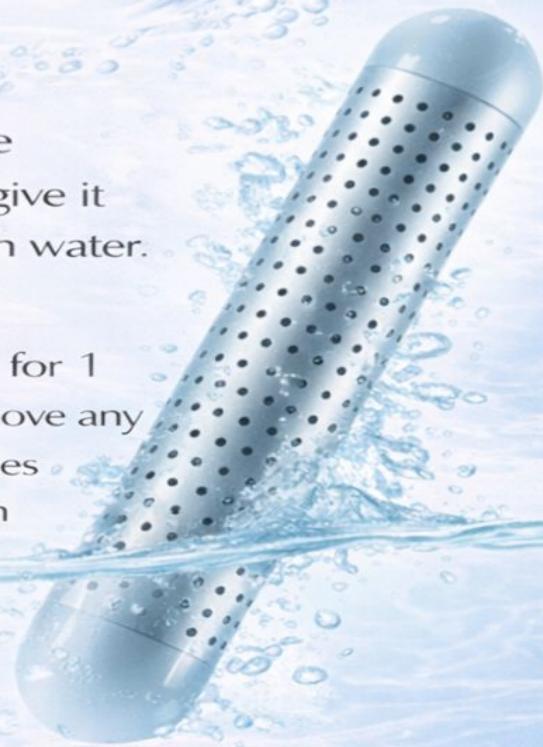

A proper start is crucial to optimize the product's initial performance.

1 Step 1: After removing the capsule

from its package, always give it a thorough rinse with clean water.

Step 2: Continue rinsing for 1 full minute to remove any powders or residues that may appear on the first use.

3 Daily Preparation

The Bottle: Always use a half-liter (500 ml) glass bottle. Glass maximizes pH balance and hydrogen integrity.

The Bottle: Always use a half-liter (500 ml) glass bottle. Glass maximizes pH balance and hydrogen integrity.

1 Wait for the Magic:

After dropping the capsule, wait based on your series.

⌚ **Black Series** (typically prepared overnight)

Green & Eco-Friendly

Your Daily Source of Cellular Renewal

The Blue Series

The Golden Rule of First Use

A proper start is crucial to optimize the product's initial performance.

The Alkaline-Hydrogen Stick

The Blue Series is designed as a primary health companion for individuals of all ages. This unique water enricher enricher focuses on high-level hydrogen infusion and pH optimization to restore your body's natural balance.

3 Key Scientific Benefits

Brain & Bone Health

Specifically formulated to improve brain function and support bone and tooth strength.

The Bottle: Always use a half-liter (500 ml) glass bottle. Glass maximizes pH balance and hydrogen integrity.

Cellular Hydration

Creates "micro-clustered" water molecules, ensuring that hydration reaches your cells faster.

Black Series»
(Typically prepared overnight)

8 hours
(Typically prepared overnight)

3 Daily Ritual (How to Use)

1 Rinse

After removing the stick under clean water.

2 Submerge

Place the stick into a half-liter glass bottle.

3 Wait

Fresh, refresh, allow 60 minutes for a lifetime of better health.

4 Drink

A simple 60-minute wait for a lifetime of better health.

Master Your Metabolism, Balance Your Body

— The Red Series —

The Body Balance Stick

The Red Series is specifically developed to maintain internal balance (homeostasis) and support metabolic processes. It optimizes your body's mineral balance by adding not just Hydrogen but also vital Calcium ions to your water.

1 Specialized Benefits for an Active Life

Metabolic Acceleration

Supports the regulation and efficient operation of body metabolism.

Weight Management Support

Helps break down abdominal fats, assisting you towards your weight loss goals.

Bone & Muscle Support

Boosts bone strength with added calcium ions, backing your body in an active lifestyle.

Radiant Skin & Hair

Regular use contributes to stronger hair and restored skin vibrance.

4 Technical Specifications

1 Preparation

Briefly rinse the stick before its very first use.

2 Fast Activation

Works faster than other series; your water ready in just **30 minutes**.

3 Vitality

Consume fresh for metabolic awakening.

Energy is not given, it is created through balance.

The Ultimate Reset for Your Body

— The Black Series —

1 The High-Alkaline Detox Stick

The Black Series is a specialized "emergency recovery" technology developed for moments when your body's acidic load is at its peak. It's not for daily use but for rapidly flushing out toxins and deeply resetting your system.

2 Power of Neutralization: High pH Performance

 **Ultra-Alkaline Strength**
Neutralizes acidic conditions instantly by raising water's pH to 10 - 11.

 **Detoxification**
Speeds up the elimination of toxins accumulated from alcohol or heavy medication use.

 **Bone & Muscle Support**
Alleviates hangover symptoms and provides a refreshed start to your morning.

 **Immunity Boost**
Strengthens your immune system and revitalizes your metabolism.

4 Technical Specifications

 **Capacity**
Provides a total of 100 half-liter bottles.

 **Usability**
Effective for 3 months (120 days) from first

 **Safety**
Only for detox needs, not for routine daily hydration.

Restore your inner balance, wake up to a new you.

Choosing the Right Smart Life for Your Needs

1 The High-Overview

The High-Alkaline Detox Stick

	Alkaline-Hydrogen (Blue)	Body Balance (Red)
Primary Focus	Daily Health & Brain Power	Metabolism & Weight Loss
pH Increase	+1.5 Units	High Alkaline (10-11 pH)
Prep Time	60 Minutes	30 Minutes
Sticks per 500ml	1 Stick	1 Sticks
Total Capacity	240+ Liters	
Daily Use	✓ 0 Days	

3 Usage Instructions

1 The Formula

Insert two Black Series sticks into half-liter (300ml) glass bottle.

2 Preparation Time

For best results, allow water to enrich for 8 hours.

3 Storage
